

Evaluation of Certificated Personnel

The District has a firm commitment to performance evaluation of District personnel, whatever their category and level, through the medium of a formalized system. The primary purpose of such evaluation is to assist personnel in professional development, in achieving District goals, and to assist with decisions regarding personnel actions. This policy applies to certificated personnel, but the District shall differentiate between non-instructional and pupil instructional personnel. The Superintendent is hereby directed to create procedures that differentiate between certificated non-instructional and certificated pupil instructional personnel in a way that aligns with the *Charlotte Danielson Framework for Teaching Second Edition* to the extent possible.

Each certificated staff member shall receive at least one written evaluation to be completed by no later than June 1st for each annual contract year of employment and shall use multiple measures that are research based and aligned to the *Charlotte Danielson Framework for Teaching Second Edition*. The evaluation of certificated personnel shall annually include a minimum of two documented observations, one of which shall be completed prior to January 1st. In situations where certificated personnel are unavailable for two documented classroom observations, due to situations such as long-term illness, late year hire, etc., one documented classroom observation is acceptable.

Objectives

The formal performance evaluation system is designed to:

1. Maintain or improve each employee's job satisfaction and morale by letting him or her know that the supervisor is interested in his or her job progress and personal development;
2. Serve as a systematic guide for supervisors in planning each employee's further training;
3. Assure considered opinion of an employee's performance and focus maximum attention on achievement of assigned duties;
4. Assist in determining and recording special talents, skills, and capabilities that might otherwise not be noticed or recognized;
5. Assist in planning personnel moves and placements that will best utilize each employee's capabilities;
6. Provide an opportunity for each employee to discuss job problems and interests with his or her supervisor; and
7. Assemble substantiating data for use as a guide, although not necessarily the sole governing factor, for such purposes as wage adjustments, promotions, disciplinary action, and termination.

Responsibility

The Superintendent or his or her designee shall have the overall responsibility for the administration and monitoring of the Performance Evaluation Program and will ensure the fairness and efficiency of its execution, including:

1. Distributing proper evaluation forms in a timely manner;
2. Ensuring completed evaluations are returned for filing by a specified date;
3. Reviewing evaluations for completeness;
4. Identifying discrepancies;
5. Ensuring proper safeguards and filing of completed evaluations;
6. Creating and implementing a plan for ongoing training for evaluators and certificated personnel on the District's evaluation standards, forms, and processes and a plan for collecting and using data gathered from evaluations;
7. Creating a plan for ongoing review of the District's Performance Evaluation Program that includes stakeholder input from teachers, Board Members, administrators, parents/guardians, and other interested parties;
8. Creating a procedure for remediation for employees that receive evaluations indicating that remediation would be an appropriate course of action; and
9. Creating an individualized evaluation rating system for how evaluations will be used to identify proficiency and record growth over time with a minimum of three rankings used to differentiate performance of certificate holders including: unsatisfactory being equal to a rating of 1; basic being equal to a rating of 2; and proficient being equal to a rating of 3.

The Immediate Supervisor is the employee's evaluator and is responsible for:

1. Continuously observing and evaluating an employee's job performance including a minimum of two documented observations annually for certificated personnel, one of which shall be completed prior to January 1st of each year;
2. Holding periodic counseling sessions with each employee to discuss job performance;
3. Completing Performance Evaluations as required; and
4. Completing training on the District's Performance Evaluation Program.

Written Evaluation

A written evaluation will be completed for each certificated employee. A copy will be given to the employee. The original will be retained by the Immediate Supervisor. The evaluation should be reviewed annually and revised as necessary to indicate any significant changes in duties or responsibilities. The evaluation is designed to increase planning and relate performance to assigned responsibilities through joint understanding between the evaluator and the employee as to the job description and major performance objectives.

The written evaluation will identify the sources of data used in conducting the evaluation. Aggregate data shall be considered as part of the District and individual school needs assessment in determining professional development offerings.

If the employee is not meeting performance expectations, the employee should be informed of the steps necessary to improve performance to the desired level. Counseling sessions should include, but not be limited to, the following: job responsibilities, performance of duties, and attendance. A memorandum for record will be prepared following each counseling session and maintained by the supervisor.

Communication of Results: Each evaluation shall include a meeting with the affected employee to communicate evaluation results. At the scheduled meeting with the employee, the supervisor will:

1. Discuss the evaluation with the employee, emphasizing strong and weak points in job performance. Commend the employee for a job well done if applicable and discuss

specific corrective action if warranted. Set mutual goals for the employee to reach before the next performance evaluation. Recommendations should specifically state methods to correct weaknesses and/or prepare the employee for future promotions.

2. Allow the employee to make any written comments he or she desires. Inform the employee that he or she may turn in a written rebuttal/appeal of any portion of the evaluation within seven days and outline the process for rebuttal/appeal. Have the employee sign the evaluation indicating that he or she has been given a copy and initial after supervisor's comments.

No earlier than seven days following the meeting, if the supervisor has not received any written rebuttal/appeal, the supervisor will forward the original evaluation in a sealed envelope, marked "Personnel-Evaluation" to the Superintendent, or the designee, for review. The supervisor will also retain a copy of the completed form.

Subsequent to these activities, and within a period of ten working days, the supervisor may provide the employee with a written response either amending the evaluation as requested by the employee or stating the reason(s) why the supervisor will not be amending the evaluation as requested.

If the supervisor chooses to amend the evaluation as requested by the employee then the amended copy of the evaluation will be provided to, and signed by, the employee. The original amended evaluation will then be forwarded to the Superintendent, or the designee, for review in a sealed envelope, marked Personnel-Evaluation. The supervisor will also retain a copy of the completed form.

If the supervisor chooses not to amend the evaluation as requested by the employee then the evaluation along with the written rebuttal/appeal, and the supervisor's response, if any, will be forwarded to the Superintendent, or the designee, for review in a sealed envelope, marked Personnel-Evaluation. The supervisor will also retain a copy of the completed evaluation including any rebuttal/appeal and responses.

Action

Each evaluation will include identification of the actions, if any, available to the District as a result of the evaluation as well as the procedure(s) for implementing each action. Available actions include, but are not limited to, recommendations for renewal of employment, non-

The District shall report the summative rankings, the number of components rated as unsatisfactory, whether a majority of the certificated personnel's students met their measurable student achievement or growth targets or student success indicators as well as what measures were used, and whether an individualized professional learning plan is in place for all certificated personnel evaluations, annually to the State Department of Education.
