

Attendance Policy During Health Emergency

The Board of Trustees authorizes the Superintendent or designee to set an attendance policy for students that takes into account the location of instructional services, the applicability of proficiency-based instruction, the student's grade level, and the health and safety of the student and their household. Students are expected to complete assigned work. If a student is not present for the instructional day, the student shall be permitted to complete all work assigned by the teacher within a reasonable period of time determined by the teacher. Students shall not lose credit or incur a grade reduction for reasons related to attendance without good reason as determined by the Board.
