

Nonschool Employment by Professional Staff Members

The outside work or self-employment by a staff member is of concern to the Board insofar as it may:

1. Prevent the employee from performing assigned responsibilities in an effective manner;
2. Be prejudicial to proper effectiveness in the position, or compromise the District; or
3. Raise a question of conflict of interest – for example, where the employee’s position in the District permits access to information or other advantage useful to the outside employer.

Therefore a regular, full-time employee’s position in the District shall take precedence over any type of outside work or self-employment. Employees are free to carry on individual work or self-employment projects as long as no District facilities, equipment, or school(s) are used, except as provided by policy, and the outside work or self-employment does not interfere with the employees’ performance of District assigned duties.

In addition, an employee may not perform any duties related to outside work or self-employment during regular District working hours or during the additional time that is needed to fulfill the responsibilities of the District position. Employees who violate this policy are subject to reprimand, suspension, or termination.

Except by prior written authorization from the Superintendent, school buildings are not to be used for private tutoring or classes for which students pay a fee to a staff member unless a rental contract has been entered into with the District.
