Competitive Food Services (vending machines, concessions, fund raising, etc.)

The Superintendent shall establish rules for the sale of foods during the school day. To encourage the eating of nutritious lunches, competitive food services shall not be permitted to operate anywhere on school premises during or for the period of one (1) hour before and after the lunch period.

It is recognized that there may be rare special occasions when the school principal may allow a school group to deviate from these guidelines. Any food sales of an occasional nature must have the prior approval of the principal.
