DISCUSSION ITEMS

- A. **Replacement Heating and Air Conditioning at Elementary:** Mr. Carson went over how much money we will have available and when it will be available to pay for the replacement. The board decided to go with the roof top units after much discussion. Gordon will talk to his associates to see if we can put them in as two different sessions so we have more time to collect money. The board would like to have the classrooms with heating units by late fall and then the remainder rooms can be done the next summer. Gordon will contact Mr. Carson to let us know if this can be done and some prices.

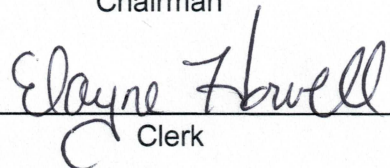

Meeting adjourned at 8:00 pm
