*550 Main Street South
Hansen, ID 83334
(208) 423-6387*

11-16-20

Good Afternoon Parents and Guardians,

In an effort to keep you informed, I want to make you aware that on Friday of last week Governor Little moved Idaho back to Stage 2 in the Idaho Rebounds Plan. Here is a link where you can find more information about that. <https://rebound.idaho.gov/>

So what does that mean for the Hansen School District #415? Our district developed a plan this past summer that outlines the steps and processes we will use during the COVID19 pandemic. We received input for this plan from students, parents, staff and community members. Our school board, administrators and staff members have been using that plan to help guide us through the ever changing situations our community, region and State are in due to COVID19. In speaking with our local health district officials, our district can and should look at the community of Hansen and our school district conditions to determine what is best for our district. With the amount of COVID19 activity going on within our school district at this time, we will be staying in the current "yellow" category. Our school board revisits our COVID protocol and local conditions at every board meeting and if needed, will call a special meeting to address any needed changes.

Thank you for supporting our school district and know I am always available to answer any questions you may have. You can reach me at the number below or dcarson@hansenschools.org

Have a wonderful day and Go Huskies!!!!!!!!!!

David Carson
Superintendent
